

**SVHC STATEMENT****0217 AMMONIUM SULPHATE**

---

We hereby confirm that the product referenced above is NOT classified as a Substance of Very High Concern (SVHC) as defined in the REACH Regulation (EC) 1907/2006, neither included in the current Candidate List, Annex XIV of Authorization or Annex XVII of Restriction.

No substances meeting any of the criteria described above are intentionally added to the product during the manufacturing process. Furthermore, based on our current knowledge of the raw materials and our processes, no contamination with any substances is expected.
